

RAVENS-WAY WILD JOURNEYS

NATURAL WATER CONTAINERS

Join us in a creative, artistic, and Eco-friendly workshop during which you'll learn how to craft a very distinct and Sustainable water container from Nature's bounty. At our Stone-age village you will choose between creating a stunning Ostrich Egg Canteen, with it's knotted net bag & cork. Alternatively, transforming a sturdy gourd into a water storage vessel. Or making an Agave Container useful for storing and filtering water. All these will be adorned with mineral paints & earth pigments using a wide variety of natural artistic techniques!

WHEN: JUNE 20

TUITION: \$75 includes all materials, use of all our facilities: unique Stone-age Village, amazing Nature & Science Discovery Center, incinerator toilets, picnic areas, miles of Nature trails, and much more!

WHERE: RAVEN'S NEST, our 42-acre Nature Sanctuary near Patagonia Lake!

Wilderness Survival Instructor, Naturalist, & Wildlife Biologist Vincent Pinto and his wife, Claudia, run RAVENS-WAY WILD JOURNEYS - dedicated to the Conservation and Protection of Nature, Wildlife, and the Environment through a wide variety of Eco-friendly Programs and Adventures! Vincent has been teaching & raising awareness of Nature throughout the country since 1987.
